Regional Ambassadors

Inclusive Church has a network of Regional Ambassadors around the country. These ambassadors act as a point of contact between a region/diocese and Inclusive Church. An ambassador is the representative of Inclusive Church in a particular area or city.

Please get in touch if you would like to be an ambassador for a region which does not currently have one or which only has one or two (you can work together). If your region has ambassadors already, why not get in touch with them using the email addresses below? If an email address doesn't work, please let the National Coordinator know [1]. More details about the role of an ambassador are available here [2].

The below details are grouped for convenience by county/city.
