 Modern Church encourages open, respectful debate and discussion of matters relating to Christian faith. Originally a Church of England society, it now welcomes all who share its ethos.

Modern Church is a partner of Inclusive Church and has a place on its Trustee Board.

For the first time in its 119 year history, they are seeking to appoint a paid, part-time General Secretary.

They are looking for someone with vision to help them support an open and undogmatic approach to Christianity which can face the challenges of faith for a changing world.
