## WATCH and Gender Justice

### WATCH and Gender Justice

WATCH (Women and the Church)

launched 'A Gender Justice Policy for the Church of England' at a joint fringe event at the July 2016 General Synod. Members heard from Christian Aid, USPG and the Mothers' Union how gender justice has come to form a crucial element of their international development work. We also heard that the Anglican Communion has now signed up to the global '[Side by Side](#)' [1] movement for gender justice.

[The policy is available here](#) [2] and includes a draft Synod motion which we hope Synod members will take through their Diocesan Synods this Autumn.
